NEWS RELEASE: Commission amends schedule for electric utility's application to increase the rates it charges to provide electric service.

BOISE (Nov. 6, 2025) – The Idaho Public Utilities Commission has amended the schedule for an application submitted by Idaho Power to increase the rates it charges to provide electric service to customers.

Parties to the case have filed a proposed settlement that will be reviewed by the Commission. In its initial application submitted to the Commission on May 30, 2025, Idaho Power asked for an overall revenue increase of $199.1 million, or 13.09 percent. If the proposed settlement is approved by the Commission as filed, the utility will receive an overall revenue increase of $110 million annually, or 7.48 percent.

Previous deadlines for parties to submit written testimony were vacated to allow the parties to work on the proposed settlement. The deadline to submit testimony has been changed to Tuesday, Nov. 18.

A customer hearing originally scheduled for Thursday, Nov. 20, will continue to be held that day. It will be at the Commission's office, 11331 W. Chinden Blvd., Building 8, Suite 201-A, Boise, ID 83714. It will begin at 4:30 p.m. (MST) and conclude at 7:30 p.m. or after all customer testimony has been taken, whichever comes first. A previous news release sent on Aug. 22 included information on testifying remotely or listening to the hearing using the Webex platform. Since then, the Commission has transitioned to the Microsoft Teams platform. The change involves new call-in numbers.

Those interested in submitting testimony remotely can now do so by calling 1-208-985-2810 and entering conference number 798 879 165# when prompted. Those interested in listening to the hearing without submitting testimony can call 1-208-985-2810 and enter conference number 342 710 86# when prompted.

A technical hearing in early December will be held as originally scheduled. It will be at the Commission's office, 11331 W. Chinden Blvd., Building 8, Suite 201-A, Boise, ID 83714. The hearing will begin at 9:00 a.m. (MST) on Dec. 2 and conclude at 5:00 p.m. It will continue if needed on Dec. 3, Dec. 4 and Dec. 5. It will begin at 9:00 a.m. (MST) and end at 5:00 p.m. each day.

Remote participation initially was offered through Webex. It will now be offered through Teams. To listen to the hearing over the phone, please call 1-208-985-2810 and enter conference number 599 758 120# when prompted. To watch the hearing online, please visit teams.live.com and click on the "Join a meeting" option on the upper left side of the page. Next, type 299 001 621 2474 in the Meeting ID window. Then type Rc6Nv9Qu in the Meeting Passcode window.

The Commission is accepting written comments on the proposed settlement until Thursday, Nov. 20. Comments are required to be filed through the Commission's website or by e-mail unless computer access is not available. To submit comments using the website, please visit puc.idaho.gov and click on the "Case Comment Form" link on the upper left side of the page. Please use case number IPC-E-25-16 when filling out the form. If using e-mail, comments are required to be sent to the commission secretary and Idaho Power at the e-mail addresses listed below. Commenters are required to include their name, address and case number IPC-E-25-16. If computer access is not available, comments can be mailed to the commission secretary and Idaho Power at the addresses listed below. Those submitting comments through the mail are required to include their name, address and case number IPC-E-25-16.
